

Eric deYoung has been with the firm for over five years serving as a Land Development Consultant. He assists with development, entitlements, title review, contracts, real estate transactions and general real estate related matters for a variety of projects, issues and challenges including economic incentive packages. On a daily basis he interacts with state, county and city government officials concerning development matters, permitting issues and related issues.

Prior to joining the firm, Eric led a local division for a land development and home building company after serving as a financial analyst for a private equity real estate fund.

Education

John Carroll University – 1999 - B.A.
